

Dear valued patients and friends,

As a General Dental Clinic we have closely been following the Australian Dental Association, Dental Board of Australia and WA Governments response to the COVID-19 pandemic and we are taking all the recommended responsibilities to help manage the impact of COVID-19 in our community and nation.

After much discussion, we regrettably have made the decision to limit our services. We must all try flatten the curve.

Yangebup Dental Centre will be open for limited emergencies only on a part time basis due to current ADA/Federal level 3 restrictions regarding Covid-19, but also due to receiving an amount of emergency requests.

At this stage we are unsure when we will be reopening with normal trading hours, but we will keep everyone up to date. We pray for a speedy resolution to the current global situation.

We wish you all the very best of health, thank you for your understanding and your continued support over many years.

Don't forget to wash your hands and always SMILE.

Dr Clint , Dr Shen and Staff at Yangebup Dental Centre
